Certificate of Analysis

February, 2011

To whom it may concern,

We hereby certify that High Density Polyethylene resin, **InnoPlus HD8000F**, product by PTT Chemical Public Company Limited complies with the Food and Drug Administration (FDA) Specifications according to U.S. FDA 21 Code of Federal Regulations part 177.1520 which allows for polyethylene unmodified used in articles that contact food except for articles used for holding food during cooking.

This section refers to the extraction limitations only, not to the product's physical use and processing. For any limitations which are part of the regulations should be consulted in details.

This information is valid until February, 2014.

Yours Faithfully,

A handwritten signature in black ink, appearing to read "N. Nuchanan".
